PERSONAL DETAILS

Nationality: Thai with Definite Right to remain and work in the UK
Languages: English, Thai (native)

PERSONAL PROFILE

Having worked in health care for ten years, I am reliable, experienced in working with others to achieve a certain objective on time and with excellence. I am a fast learner with a desire to learn. With my passion in IT, I decided to give myself the opportunity to step into it by attending AWS Re/start programme and now I undertake a 12-week intensive coding, programming and software development training at _nology.

QUALIFICATIONS

AWS Certified Cloud Practitioner (Credential ID : 0ENDS99BFER1QWC9), WAES, London, May 2022

BSc Nursing Science (1ˢᵗ), Naresuan University, Thailand, 2012

EXPERIENCES

Team Leader, CAREUK (2019-2023)
